

Preaching the SEASON of the Church

The Rev. Dr. Craig A. Satterlee, bishop of the North/West Lower Michigan Synod (former professor of homiletics at the Lutheran School of Theology at Chicago) will lead us as we study the texts for the season after Pentecost. By the time the cruise is over, you will have much of what you need to preach through the summer months!

We will sail on the Carnival Dream, departing from (and returning to) New Orleans, LA.
